“ Dan was a wonderful but shy person who got along with everyone. His brother Lyle, and I were in school together and totally enjoyed them. So sorry to hear of Dan's passing and the loss to hie wife and family. May he rest in Piece.

“ Debbie and family,
My husband Mike and I are deeply saddened by your loss of your beloved husband Dan. We knew Dan and his brother David a very long time ago while we were in the AF stationed at Offutt. Mike would frequently look for parts in their father's salvage yard. This is how Mike became friends with both of them. Their parents were lovely people as well. When Mike left the service he took Dan with him to New Hampshire. He met Mike's parents and family and had a lot of fun. About a year and a half later, we made it back to Omaha and visited Dan and family. His parents let us stay in their home for the week we were there. We all went to Silver Dollar City. We also went down a new attraction called a water slide that was built into the mountain. We all had a blast. Dan was a great person and we had hoped to come back to see him again one day. Our thoughts and prayers are with you during this time of your loss.

“ Deb, I always cringe a bit when I hear a friend or relation has lost his lifelong partner. You can be proud of a faithful marriage for many years, and of course your kids and a home for all of you.

“ Debbie, Jayne, Mark, Lyle, and Marty. Was shocked and saddened to hear of Dan's passing. Dan, Debbie and I shared many fun times together. I met Dan while working with him at the Meter Plant. We also worked together at Paul Lucht and Sons. We camped, fished, and had tons of fun together. He even helped me drive to Ohio to pick up my Volkswagen that had broken down in Ohio when I was there visiting my family. We left on a Friday night at 11:30 PM after our shift at the Meter Plant. We arrived in Ohio at 12 noon the next day, We went to a clam bake, drank, ate, visited. After about six hours of sleep, we headed back to Nebraska to make it back in time for a few hours of sleep and then back to work. Whenever I got in trouble with my cars, Dan was always there to give me a hand and advice on how to get things going again. I planned on stopping and visiting him this fall when I was in town. I will make it a point to stop and visit with Debbie. I can't believe he's gone.

“ Debbie, Mark, Jayne, Lye and Marty. We are so sorry for you lost and know that Dan and you are in our thoughts and prayers. I have many fond memories of our summers vacations back to Kansas and the families gathering at Grandma's - and the Uncle Monty, Aunt Margaret and the "Montgomery Boys" were always there. The shenanigans at Grandma's fireworks stand and the time we "hot wired" Uncle Jimmy's El Camino and the heck we got from Uncle Monty will never be forgotten.

God Bless Dan and your family,
