“ I am sorry to learn of the passing of Steve. He was a great guy in high school. As hwe was the class of 70, I was in the class of 69. We did not socialize except in school and he was always a class act. May he rest in Piece!

“ We knew Steve when he worked at ace hardware we invited him over often since we both had a pilots license and talked about flying and the latest advancements science. I was always impressed with his knowledge of almost any subject we discussed. I always wondered where he went after Ace and thought he had moved far away from Nebraska. Steve had a lot of talent and will be missed . Sincere condolences to the family

“ So sorry to hear of the passing of Steve. We were classmates at St. Johns and then at PHS. Good times, laughs, and always a loyal friend. Although we didn't keep in touch, I would think of him whenever I came into Plattsmouth by the Masonic Home and would look up to see your family home. From his obituary, it sounds like he became a very successful person. Must have been those Ursuline nuns that made us tow the straight and narrow! I'm sure he was a wonderful brother to all, even though your family is spread far and wide. Sincere condolences to the family. May happy memories comfort you during this difficult time. Sincerely, Susan Gradoville Wiley
