“ I almost don't remember a time of not knowing Anne....she was a very dear member of our Madden's family and a very special friend to me. We laughed so many times...til we just couldn't breathe and had tears pouring out of our eyes. We texted each other several times a week and sent each other funny cat cartoons and videos. A few years ago we met in Brainerd/Nisswa, MN where we've vacationed for countless years in the summer, but this was a first in winter....we had such a good time shopping, eating, drinking and talking our heads off...and always laughing. My husband, Woody, will miss her terribly at Madden's playing golf. They really enjoyed playing together and I know he'll always think of her when he plays there in times to come. He was fortunate to play with her one last time this past summer....and I know that'll always be a precious memory. It's going to take a very long time to get used to the void Anniebananie (my nickname for her) has left behind, but I know we now have a special angel to watch over us....we miss you, Annie.

“ Anne was one of the original founding members of Plattsmouth’s animal advocacy group, Happy Paws. She and Peg Bennett were a great team getting the ball rolling. And even though she was not active in recent years, she will always be thought of with wonderful memories. The world is a bit sadder without Anne. She will be greatly missed.

“ I had the privilege of playing golf with Annie for many years as her team mate at Plattsmouth Country Club. Loved her sense of humor. Annie was such a great person, never saw her upset. Later she joined Lake Ridge, and got to spend more time with her. What a great friend and fellow Big Red fan. She shall be missed!!!! Am sure she does not know how many lives she has touched.

“ Anne and I were classmates at PHS in the Class of 1972. I moved from Plattsmouth many years ago but got to see her at class reunions, which she was very good about attending. Anne was such a nice person and always quick to smile and laugh. I know she will be deeply missed by many.

“ *Such sad news. Anne was always such a good friend and neighbor to my mom and our family. I probably wouldn't know how to swim without Anne. She will be missed by so many.*
