“ *Arlene was my friend, Rainbow sister and Eastern Star Sister. She said she had to stop coming to our Eastern Star meetings because it was the same night as choir practice and when she wasn't there about a third of the choir was missing. She called me up one day and said she was in Des Moines spending the night with my husband. It was true - she and her husband Ron and my husband Terry were all there for a car show. A wonderful woman with a laugh that was spontaneous and lit up the room. She was a gift to our world and we will miss her.*
