“ *Our neighborhood "mom" has joined her family in heaven, leaving her boys to continue their good works here. I can still hear her calling you boys and watching your antics outside. She had many ears for her childre. I have always enjoyed our visits with your parents when I would come home. She even touched my children when we visited, with her kool-aid ice cubes! An end of an era with her passing, but what fond memories I have. God bless you all.*
