“ *What a wonderful lady and friend, always a smile and laugh, always on time to help set up an auction with me. Always excited i would bring donuts for her and the girls setting up my sales oh and lunch also. If she would have spent more time setting up rather than looking at everything they would have been done before lunch and saved me money lol. She will be dearly missed as part of our little Auction family. Heaven got a wonderful angel and a great organizer. Rest in peace Miss Betty*
