“ *Mom, those special memories of you will always bring a smile, if only I could have you back for just a little while then we could sit & talk again just like we used to do. You always meant so very much to me. The fact that you're no longer here will always cause me pain, but you're forever in my heart until we meet again. I miss you & I LOVE YOU very much!!!*

“ Hugs and prayers for the family. Was shocked to hear of your loss. Bev had a beautiful spirit and loved doing things for others. She always wanted to try and share a new recipe. Loved baking. She was like a sister. May she rest in peace.

“ I am so very very sad, my heart hurts. I will miss everything about her and when spring comes we always went shopping, to her wonderful craft fairs, just taking rides in the country after she didn't drive herself anymore & talking for hours on the phone.stopping at McDonalds for an iced coffee (sugar free) or a vanilla ice cream. I do know she is pain free now and is smiling again in Heaven with her parents & her Grandma Mim.... I am missing you so very much, Bev
