“ *My deepest condolences to the family. I'm going to miss sharing jokes on Facebook with him. Was hoping he would be able to come to the next cuzn reunion so I could finally meet him in person.*

“ *Charlie was such a good friend to so many people. He took my daughter under his wing when we moved to Plattsmouth and always made sure she was doing ok. She told me that he treated her like his own daughter. Charlie was always good for a corney joke to make your day better. He will be greatly missed by many!*
