“ I've only known you for just about a year, but man I feel like I've known you forever! That's the kind of person you were! My first week of working with you, you hugged me goodbye and kissed me on the cheek at the end of the day and said I love you! You were so unapologetically you and I will miss everything about that! It's too quiet with you gone and a piece of us is gone too! Until we meet again Cheryl, I love you!
