“ *I was so sorry to hear about Chris. I worked at Vickers with Chris and I have such good memories of him. He was a good friend and He was one of the funniest people I've ever met. He always made people laugh. I would like to attend his celebration of life how will it be announced? Where can a memorial be sent?*

“ *I worked with Chris at Vickers...he was such a fun person to have around....I have sooo many good memories of him, but my favorite one was when He told me to stick his new union pin in his ear...lol...so I pierced his ear with it right at his assembly table.... I'm so sorry he had to leave so early, my prayers are with your whole family*

“ My condolences to the Draper family. I just saw the news of Chris' passing. I used to work with Chris at Vickers. We were inspectors together. We were both skinny back in the day. We would stand next to each other and stick our stomachs out then suck it in and say "before, after, before after". He was so much fun to be around. Praying that God comforts you all during this tough time. Linda D.
