Corrine Case

May 31, 1921 – September 19, 2013

Corrine Case Age 92 of Plattsmouth, Nebraska passed away on September 19, 2013 at Risen Son Christian Village in Council Bluffs, Iowa.

Elma Corrine Case was born on May 31, 1921 to Elmer John and Vera Estelle (Propst) Hallstrom in Avoca, Nebraska.

She was raised and schooled in Avoca, Nebraska. She started her treasure-making career at age nine, baking delicious birthday cakes from scratch for her parents and three younger brothers, Jack, Tom, and Bob. She graduated from Avoca High School with the class of 1939. In 1948, she married Raymond "Joe" Case. They were devoted to each other and parented seven children; they treated their spouses as family too.

As a wife and mother, Corrine continued to make all kinds of delicious food for her family and friends. She baked holiday cookies, sugar Easter eggs, and decorated cakes for celebrations, brownies and bars for bake sales, and customized sheet cakes for school sports banquets. She loved to comfort her loved ones by baking for them in times of grief. Over the years Corrine made hundreds of wedding mints and thousands of school lunches.

Corrine grew up playing cards, and even after she and Joe were married, before Kevin was born they drove to Avoca every weekend, to play pinochle with Vera and Elmer. Even Corrine's grandchildren have happy memories of sitting together eating cookies and playing cards for hours. She wrote cards

too, and sent hundreds of letters for special events or just to say "I love you." In the last 20 years of her life, she enjoyed making these cards as well. Other treasures included making ceramics and knitted pieces. She kept her children, grandchildren, and community feeling so special and warm. Her whole life, Corrine Case was known for making treasures for the people she loved—and many would say she loved everyone she met. She had a smile and wave for all.

Corrine was a member of the Church of the Holy Spirit, P.C.C.W., and the Catholic Daughters all of Plattsmouth, Nebraska.

“ The brief opportunity, but golden memory, to meet Corrine Case
came about 5 years ago when her daughter-in-law, Mary Case
visited her. There was no doubt I was meeting a gracious lady. Her
portrait says it all.
