“ *She was a wonderful template for the perfect loving grandma! So much of what she taught and did for others have been instilled in me to pass down to my grandchildren! And what an honor it is to have her name as my middle name. I love her so much and look forward to when we will meet again in heaven. XooXo Love you Gramma (Hi-Sign/Chin Wave)*

“ *My great grandma always had a smile on her face everytime I saw her. From a young age she showed me what I wanted for my future and that was the love and compassion she had for my great grandpa. I am grieving and miss her with my whole heart, but I'm so happy they are together again.*
