“ *Dave and I were on missile crew together back in the early 80s. Dave was the Combat Crew Commander and I was his first deputy. While our personalities were different, we worked together extremely well. We shared many experiences and had some interesting conversations during our time together. Overall, it was a great time in my life that I will always remember. Dave and I remained friends over the years and I am very thankful to have had the opportunity to know him.*

“ I will truly miss my "baby" brother. He was a great joy in our "older" years. I was always his "favorite" sister, but of course, I was his only sister. Rest in peace little brother, you are indeed one of the righteous spared from dealing with today's evil. I love you.

“ Carol, Steve, Erik and Mike, Our son Erik and your son Steve spent a great amount of time together and were at each other's house frequently, and got into trouble occasionally, imagine that! We appreciated having a safe place where we needn't worry while he was there. Your home was a welcome and safe place for them to play and you and Dave were always nice to our son. You are both missed here in Colorado Springs and we are very sad to hear of Dave's passing.

“ Dave will always have a place in my memory and heart as one of those unflappable "senior" officers at the Headquarters who "kept his head while others all around were losing theirs and blaming it on you". His death was a shock to all of us but I know he is in a better place. God speed.
