“ *My sister Paula McCoy and I Leslie McCoy Bender spent many das and nights with Debbie in Cedar Creek. We were neighbors, classmates but mostly best of friends friends. We loved to hang out and listen to music, we shared albums and lots of laughs. Our deepest sympathies to to her family and her family of friends. We will never forget the good times. RIP Debbie. Until we meet again!*

“ *Memories. I have so many of them with Debbie. She was my childhood from age 9 until 13. We swam, fished, boated, wandered, camped on the beach, skinny dipped, snuck out, soaped windows, walked the roads of Cedar Creek, every single one of them! Stole cigs from our parents...I could come up with L&M's Linnie came up with Taringtons and Deb, Virginia slims. Then we got our mini bikes, hours and hours we would just ride around the lakes, and sometimes sneaking out to the hwy.....always waiting for the 4th of July! Cedar Creek would come alive, so many people came to their summer homes, it was just like a big party! Oh, and boys! We swam every inch of our lake, diving to the bottom to listen to the bull fish. We paddled everywhere in my boat made from a car hood. And that is just a few of my memories of my friend. I will forever in my mind's eye see her leaving to go home on a summer evening, watching her leave on her mini bike. We did not know what life had in store for us. I moved to Washington, we lost contact for many years until social media, I wish I could have seen her one more time. See you later Deb, in the place where there is no more pain, or tears or sorrow. Rest easy my friend. Pamela Nelsen*

“ *Debbie was one of the sweetest people I have ever met. We had such good times....was so thankful to reconnect with her on Facebook. I am just so sorry I did not get back to see her in time. At the time I knew her, she was like an angel on earth...would have given you the shirt off her back. I will miss you Debbie, but you will always have a part of my heart. Rest now my friend.*

*Oh my, the first thing I think when I see this is...Debbie, you have straight hair!!! You would not believe the things we did to our hair...she would roll her hair in peach cans to straighten her hair; then sleep on her face LOL, we ironed our hair too...poured lemon juice and used sun in.....good times always.*
