“ *I remember having Deloras as my Nursery Sunday School teacher. Animal crackers while sitting on the little chairs and coloring. Mom shared many teaching memories with her.*

“ *I was so sorry to here that Deloras was sick and had passed away,My heart and prayers go out to her family. I use to take care of her sister Marion and enjoyed watching the two of them visit and talk about old times, they were so close, I miss them both, they were very special women.*

“ *My sympathies to the Shanholtz families with the loss of Deloras. I didn't know her till later in life, but was blessed to know her children, Brent and Wendy in High School. As they were encouraging and supportive friends, they had to have a really good mom- and later on, as I met her, she was a gift of a person! May the blessing of her life carry on through many generations! God bless and be with each and every one of you in the Shanholtz clan.*
