“ Times like this are so very hard and bittersweet. Though the loss is inconsolably mourned, there are precious moments it is eased with remembrances of times of laughter, love and fond memories made with Dennis throughout his life. He will always be in our hearts that will mourn his loss but rejoice and find solace in the fact that he was part of our lives. Share all the stories and memories you can with each other. All my love to Ruth, Jodi, Laura, Karen, Linda, Cheryl and the rest of the family. My condolences to all who were blessed to have known Dennis. Aunt Ruth, please know although I cannot be there with you, the distance does not temper how much I wish I could be or the hug I'm sending your way. Love to the family. Thank you Uncle Dennis for all the love and memories.

“ *Dear Ruth Ann,
Just when I think I can not be shocked by much of anything anymore, this happens. My memories of Denny go back to High School, we did a skit together in Spanish class (we both got A's). He was a "real good buddy" and a true friend. Even more so knowing you as we grew up together with my cousin Gloria. I had a good visit with him at our HS reunion. I am brought to tears and grief beyond words at this time. Just know that you are not alone as we all knew and loved Denny.*
