“ Aunt Donna was a very special Lady. I have very fond memories of her especially as a child. She watched us after school on many occasion when we lived on the farm..I remember her yummy treats and loved her tacos. My sister Rheanna and I remembered her dog Blacky (little black Chihuahua) and how uncle Lyle used to tease the pup with a newspaper rolled up- and Donna would get on him for that- but it made us laugh. She was always kind and positive and that reflects on her sons-Kirk and Mark and their children. I was always proud she was my aunt, as was my Dad-(her oldest brother, Jearl)and her was very protective of her. She will be greatly missed but we will meet up again, and we know she is smiling from above as we prepare our good byes for her. Love you Aunt Donna!

“ Meeting her so briefly, it was easy to see what a classy lady she was. I thank God that she did not linger and has found her place in heaven. I pray that you, her wonderful family will be able to cherish wonderful memories of a life well lived and family well loved.
