“ *I began my career at NPPD as an apprentice lineman as Ed and Lyle Reinke hired me back in 1979 back in my old hometown of Plattsmouth. I only got to work and learn from Ed and Lonnie Iles on our 3 man line truck crew till early 1983 before moving up with the company to York. Ed taught and showed me a lot of the things I still use today at NPPD and personal life. He also was very fair and always willing to put his climbers on to come up and help us out. Only bad habit I took with me was he made me become a coffee drinker back then or no breaks. God bless you all and we are so sorry for your families loss. Sincerely, Mark and Rhonda Stastka*
