“ *Liz had a an amazing spirit, a beautiful smile, a contagious laugh, a wicked sense of humor and a giant heart. We worked hard together, but we also laughed hard and thoroughly enjoyed one another's company. We had so many funny, inside jokes...she actually started calling me Clarice after she followed me halfway to a meeting without telling me. We laughed about road trips, funny sales calls and everything else that was always a great adventure with Liz. We celebrated achieving Liz's personal goals together...all her goals were centered around her kids...the centers of her universe and the source of her strength. Heaven has received an amazing angel and all of us are saddened by this loss.*
