“ *Mike, Shelly, Renee & Dixie,
So sorry to read about Todd. Boy! I've got years of memories!! I remember him working at the filling station at 4th Ave. & Chicago and when Dad would come down the hill with lights & siren Todd would run out and stop traffic so Dad could pull on out and head to the fire station, or him radioing dispatch to call Barb or myself to go watch the kids and just many fun things! Or the "boy" things he and Jim would get in too. LOL!! What a great person he was though, always willing to help anyone he could. Always friendly when I would run into him around town.
Heartfelt sympathies,
Kathy Austin*
