“ Floyd kept the scattered family in touch by documenting family history, which we appreciated very much. He and Judy kept us laughing, as well: good sports and caring people. He and Charles looked out for their mother in her later years and helped our children know Aunt Mary as well. Good memories! May he rest in love and peace.

*I met Floyd when he worked for ADT in Omaha. I met Judy and the boys when they invited us for a cookout in the mid 1970's. After years of being out of touch he reached out and we renewed our friendship. I'll always remember him as a gracious person and always willing to lend a helping hand. He fought the good fight and I'll miss him.*

*“Floyd Russell and I were very close friends since School Days in Macon County Alabama. Floyd was always ready to lend a helping hand from our teen age years building Hot Rod Cars to getting The Teen Age Girls attention and my Air Force Days preceding His. He always told me He was impressed in joining The US AIR FORCE by my joining at a slightly earlier date. I close by saying He was and is a great friend and will be missed and I look forward to being with Him again in Heaven in the Company of Jesus Christ and will see my Wife and loved one's as well! Please Join Us! John 3:16.*
