“ *Our Uncle Frank was a very special person in our family! His love for his family really was so important. He touched our lives in different ways but each one of us always knew that he would do anything he could to try and help or be there for us. He has been set Free to Heaven and is now with his parents at home. Do believe he is a guardian angel for our family looking out for us all. Praying for our family for peace and love to be shared in this time of grief and remembrance of Frank Wood's life. This was unexpected and many are struggling with the loss just know Franks Love will continue to flow and he will always be remembered! This day of celebration of Uncle Franks life will be about sharing the love he shared with all of us!*
