“ Mike was a great, kind man. I have many memories of Mike and my father "wheeling and dealing" (looking for opportunities). They thought they were the Hunt brothers or something. My favorite memory of Mike is he took the time to sit with me and my sister while my father went in for his lung biopsy. That is a true-blue friend to drive up from Murray to be with my father for support. Mike was with us when the dr said before the procedure, "I am not expecting anything bad." And with us afterward when the dr came out and said "It's cancer." I am sorry I was not able to be there for you, Lois and family. You are in my thoughts and prayers. Be kind to yourself. It is not anything you get over in a hurry.
