“ *Every day without you brother is a day without the sun in my life. You are missed like mad and I can't believe you are gone. If I can get through this...it will only be through the grace of God. Be blessed and safe. You are forever in my heart. So dearly missed.*

“ I've known George for over ten years. We worked together at the VA. He was always buying coffee for others and joking around with everyone. We were always teasing each other about who was the "good" twin as we both are twins. I'll never forget ya, George. You were always a good friend to me.
