“ Dear Janet, Thank you for being there for me the last few months. P says we should put you in a box and mail you to your favorite place. I know you are loving transcendence. I know you are okay that I'm not there - and yours is the only opinion that matters to me right now. And yes, I will bring Phoenix to see everyone this Summer and we will play our Red Drums in your honor. Thank you for helping to start me out in this world. I love your family - you did a great job (you are right, Chris helped) raising 3 super powerful independent women. And I bet you are laughing right now cuz they get to clean your house. Imagine.....Ronnie(Phoenix and Brad love you too - though this is personal from me.)
