*You will always be in my heart and by my side. Your death felt like a avalanche in my mountains. Destroyed my heart in many ways. I love you so much and I will not let your name be forgotten.*

“ *I am her grand daughter and she was always there for me in many ways. I spent every other weekend with her and now that she is gone the light that she brought, the laughter she brought and the smiles she brought are now fading. She was truly my best friend. - Your favorite grand daughter Emmie Jo*

“ Joleen was my cousin. We met each other later in our lives, around 25 years ago. We sometimes talk about our family dramas, especially of past generations. She loved her children & grandchildren very much! I will miss her very much! My love & prayers to Tyler & Shantey!

“ Joleen is my old time friend Shantey's mom. I got to know her over the years while she worked at the toll bridge and around town. She was a very sweet lady, always smiling. I can hear her laugh when I think of her. My condolences and prayers to her family and friends.
