“ *I am Brenda Lentsch. I have known Jon Kopp for several years. Jon lived in the ENCOR residence with my brother and other residents. Jon was a special man. He was always sweet and kind. Jon enjoyed everyone's company whenever he had visitors over. I have lots of fond memories of Jon. He had an infectious smile and loved to laugh with all of us. He especially enjoyed his relationship with my dad Gary. They were kinda buddies and liked to talk about anything and everything. My dad likes to go to Florida in the winter for a few months, and Jon always found that amusing when I told him Gary was in Florida again... He would say... Florida!!! Ha ha!! He was such a joy to us and all who knew him. We enjoyed many bbqs, birthdays, and Christmas party's. I especially enjoyed when Jon and everyone dressed up in costumes for the party! Very fun!!! I also enjoyed all our regular visits to the home, and I got to cut Jons hair and the other men's hair in the home. We always had fun no matter what we did! Jon also loved sodapop as one of his favorites. I am so glad I got to know Jon. He has touched my life in a very special way and will be missed greatly. A truly beautiful person.*
