“ *Man I wish you were here with all of us. You were such a bright light in my life. You were always smiling and making me laugh. Definitely a lady’s man. Haha but I often wonder what life would had been if you were still here with us. What you would look like or what career you would have chosen or if you would have kids by now. It makes me sad not knowing. But god had to bring you home sooner than we wanted. But I love you a lot and you will always have a special place in my heart. I’ll see you again one day. Love Magen* ❤️

“ God looked around his Garden and found an empty place.He then looked down upon His earth and saw your loving face.He put His arms around you and lifted you to rest.His Garden must be beautiful, He always takes the best.He knew that you were suffering, He knew you were in pain.And knew that you would never get well on earth again.He saw your path was difficult, He closed you tired eyes,He whispered to you Peace be Thine and gave you wings to fly.When we saw you sleeping so calm and free of pain,We would not wish you back to earth to suffer once again.You've left us precious memories, your love will be our guide,You live on through your children, you're always by our side.It broke our hearts to lose you, but you did not go alone.For part of us went with you on the day God called you home.My heart, prayers, and thoughts reach out to the family and friends...

“ To the Morehead family, Our granddaughter was a good friend of Aaron's at PHS (Katie Boren). It is so hard for her to deal with Aaron's passing that we thought we would let you know that Aaron was a great friend of Katie's since he was about 2 years old at United Church of Christ. She enjoyed every minute with him and is going to miss him terribly. We saw him perform last year with the PHS Show Choir and he did a great job! Our prayers go out to you and your extended family members in this time of sorry and pain.
