“ Thanks to Julie for giving my brother Jim Bradshaw a family he loved and had so much pride in. You were a great mother to your three children.

“ "When Julie closed her eyes to this world she opened them to a Light much brighter than ours and she is at peace." My heart goes out to Julie's father, Mr. Hall, and especially her children, Alyssa, Eveie and John. Julie and I were very close friends at one time not so long ago. This news has deeply touched me. I wish her father solice and her children too. I hope they will always remember how much she loved them all. How terribly sad this must be for her children.....losing their father and now their mother. May God comfort and bless them all.
