“ *I am sorry to hear the news about Karen. She was a classmate of mine. When I think of Karen, I see her big smile, and remember how friendly she was to everyone. Our prayers are with all of your family.*

“ *Karen was my best friend in high school, and we remained friends for all these years afterward, and kept in touch occasionally. Way back then, she loved to cruise Main Street, and I rode along with her a lot. She was a lot of fun and I will miss her. Mark - I wish I could have talked to you longer on that very cold and windy day at the cemetery.*
