“ *Laura was our neighbor. My 2 boys developed a sweet friendship with her. They bonded over gardening, bugs, nature, and catching fireflies and other bugs. She was so sweet to our 3 kiddos. Often leaving them little treasures on our porch for them to find after school. My youngest son would run over to see her almost daily. He would sometimes bring his dinner over to her home to eat next to her while they chatted and drank sweet tea together or he'd just following her around her yard talking. She will be greatly missed by our family. We are sad she isn't here with us in our physical world, but we are happy that she is rejoicing in the heavens!*
