“ MaryLou & Family, I know you have many loving memories of your time with George, my prayers of sympathy and comfort go to you. He and his Dad farmed our Todd farm; we always felt that both were great renters for our family farm, professional and hard-working for us. My mother-in-law, Ila Todd, and husband, Denis, always felt that George and Leonard were the best caretakers that we could ever have! I fondly remember that both had great senses of humor and were very kind of our family.
