“ *Les, there are so many memories after 61 years I know of so many. My very most special one is when you finally agreed to give your life to Jesus. We prayed together. You agreed that Jesus died for you and the God's word says: He that believes in Me "Jesus" shall not die but live forever with me in Heaven. Glory to God Les, I will see you again. I love you and miss you even though being little brother and big sister we had our fights and our hugs I will jump for joy when I get to see you again. Love you forever little brother. Your big sister Patty Work on that Heavenly wood pile and I will bring my scissors.*
