“ *Uncle Lou,
You were one of the few people from my childhood on that side of the family that I not only remember, but have fond memories of. Thank you for your kindness, sense of humor, and love. I've missed you since our last meeting but will see you in heaven. God Bless and keep you.*

“ Dad, I was very disheartened to find out that you had passed. We haven't seen you since 1980 but we never stopped looking for you. Had we known how close you were, we would have contacted you sooner. I wish I had gotten to know you when I was growing up. Now I will never have that chance. I have fond memories of you before you and my Mom got divorced. You will forever remain in my heart. Love You!!!
