“ *Margie is not just a cousin she is also a best friend that I could talk to about anything & everything & we sure did a lot of talking. No matter where Margie lived we kept the phone lines busy. When she moved to Renton WA to see her folks she would come to Lincoln for the week end. We would stay up till 4AM talking & laughing & sometimes even crying about our troubles to each other. Margie was very fun loving & caring. She loved her family so very much & cared for her Dear mother till her passing. She loved her three daughters & grandchildren & spoke of them often & hoped they would all have very happy lives. I used to stay the week end with Margie when she lived in Plattsmouth & we would go to a club just north of town & dance till the placed closed with our Uncles Don & Hodge. Boy could those fellas do a good Jitterbug & Margie could keep right up with them. Margie loved to play practical jokes & many times would turn the lights out in the bathroom & leave me sitting in the dark. That was just one of her funnies, believe me she had a lot more. She came by her oneryness from her Mothers side of the family. The Eatons are well known for pulling pranks. I know Margie is fine now & has been welcomed by all our relatives & there all trying to outdo each other to see who can pull the best prank on the other. I will miss you so much Margie but I know we will meet again someday. LOVE YOU & GOD BLESS YOU. SHIRLEY*
