“ I graduated with Mark and when were in Jr high we passed around a little note book for our classmates to sign I will always remember what he wrote in 6th, 7th & 8th grade. "Roses are red. Violets are blue. If I didn't have a girlfriend I'd be dating you! I still laugh today when I think of that! He was so kind hearted!

“ *Mark one of the first people we met when we moved to plattsmouth, our families grew together over the year's and I couldn't have asked for better friends who became like family, he had a great sense of humor and a smile every time you seen him!! He was a big kid at heart and a positive male figure to our kids growing up, from coaching to just being active with them all the time ❤️ Go rest high my friend, you will never be forgotten and hold a special place in my family's hearts*

“ Mark was always the one in the family that had a crazy face or something in every picture. He always had his own sense of humor . When I was in the hospital for surgery, he shows up with a pink balloon that says "It's a Girl". And says, "Aunt Sharon that was the only one they had."
Mark was one of the first to offer help or assistance. He was so kind and caring, loved family. He shall be missed. He had the most beautiful smile, and laugh.
