“ *Our sympathy to you for your mother's death. She was a very active advocate for women's rights and found significant ways to help women and girls deal with challenges they faced. Besides all that, she knew how to enjoy life! Good to have known her!*

“ Marolyn & my Mom, Bertha Mary (Baer) Rauscher, were first cousins. Marolyn always attended our annual Baer Picnic & John & I attended Nebraska football games & pre-game tailgates with Don & Marolyn for many years & we always had a good time. I can imagine a big family reunion with Marolyn & the Baer cousins in heaven. John & I extend our deepest sympathies to Marolyn's sisters & family. RIP Marolyn. **From John & Rita (Rauscher) Bartzatt

“ Marolyn was always one of the first cousins to look for at our family reunions. So quick to give you a smile and a hug. "How are you?" She would always ask, followed by what have you been up to or where are you now. Just in case I had moved. I will miss you forever Marolyn, and I pray that Dad is waiting to greet you in Heaven.

“ *Marilyn and my mom both served on the Nebraska Commission on the Status of Women together, I have many fond memories of helping out and getting to know Marilyn. She was a wonderful, creative person, always elegant and poised. I imagine she and my mom are busy in heaven getting things organized. My thoughts and prayers are with the family*

“ *Marilyn hosted a wedding shower for Dennis and I before we got married 37 years ago. It was at her house in York and it was a lovely event. I adored Marilyn all my life-she was always so interested in us as kids and when she saw you it was like you were the only person on earth who mattered to her. She was vivacious and warm, an interesting conversationalist and just a whole lot of fun. Terry Grobe and Dennis Ratzlaff*
