“ *I worked with Kathy at U.S.WEST. I always loved my conversations with her. Every night when I would tell her see you tomorrow she would say: God willin and the creek don't rise. Kathy is with God now. My prayers are with her Family and Friends.*

“ *I've known Kathy since I was a child and through my adulthood . At one point she was my physical education teacher, I've always considered her a good friend although we didn't get to see each other and our adulthood as much, when I did see her she was always a fun-loving person and a very intelligent woman. My condolences to the family, and Kathy rest in peace. Sincerely Mary Gerhard*

“ So sorry to hear of Kathy's passing. Had not seen her since one of our past reunions. Living in the same neighborhood as kids, we had a lot of fun with the other kids in the neighborhood. Rest in peace, friend.

“ I used to play ball against Kathy back in the day when she played for Robo and I for Nehawka. She was an awesome person. My deepest condolences to her family. May she rest peacefully and the family be comforted knowing that she is with our Lord. Tina Weston Buttercase

“ Kathy & I worked together at the 'cable yard' at Northwestern Bell in the 80's...she was such a hoot. When we both worked in the DOTM bldg she would see me in the lobby & call out, "Hey chicken legs!!" I was her 'client' when she took her message therapy final...my skinny little 'chicken legs' were never the same...Lost track of her after we both retired...but I did try to track her down...I will miss her...
