“ *Our thoughts and prayers are with the entire Lingle family. Denise and I are so blessed to have had Mary and Marlin in our lives. We met in 1978 and became the best of friends. Mary was like a surrogate mother to us during our time in Plattsmouth and we loved every minute we spent with her. We didn't visit much over the years, but she was (and always will be) a part of our lives. God speed Mary...until we see you again.*

“ I remember Mary, from Stull School. She was quite a chatty woman, which is probably the reason I liked her so much. Prayers to the family and those affected by this loss.
