“ *I was very blessed to have Mary Sutton as my Aunt, although more like a second mother. My childhood memories revolve around spending most of my time at her house. She had an amazing sense of humor, taught me to love rock music, compassion for animals(especially cats) and she was a great cook. I will hold my memories of her dear and close to my heart, sharing stories with my son so he always remembers how much Aunt Mary loved us and what an incredible person she was. I love you always, Aunt Mary. Give Uncle Bobby, Dad, Gran and the rest of our family and friends a hug from me.*
