*I am so very sorry to hear about Matt's passing. I remember his visits to Minnesota to visit his grandparents. He loved to sit up and play games and just have fun. Of course this was years ago when he was a bachelor and had more time. Then once he was married and had a family, he'd bring his family and was so proud of them. He thought so much of his Grandma Marlene and Step-Grandpa Ken. My deepest condolences to his family. He was loved.*
