“ *Our hearts go out to Wayne, Pam, Dan and their families. I never personally met Maureen in person, but I know she was a very devoted and loving family person from my conversations with Wayne while working together in Omaha for a number of years. My wife (Kim) and I send our thoughts and prayers to your entire family. God Bless. Scotty and Kim (Tustin CA, formerly from Bellevue NE)*

“ *Our heart felt sympathy goes out to Wayne, Pam, Dan and their families.
Maureen was a wonderful friend and beautiful person. We couldn't have asked for a better neighbor.
I remember Maureen planting flowers at the end of our dead end street. She was always working to help others.
Her children were her pride and joy, and she never stopped talking about her grand kids.
Why she had to suffer so I do not know. I do know that we were blessed for having known her.
