What a very sudden and sad moment for all of us! He was a great friend and a joy to be around, whose charisma meant something different to each and every one of us. I am thankful for all the special moments that we shared together and for the memories that he has left us with. I hope that Mike will continue to live on forever within our hearts and minds. Bro. *We bought Mike's home @ Copper Dollar Cove. We only knew him a short while but found him delightful. Wish we had been able to have him as a friend much longer.
So sorry for his loss...
