“ *Mindy was in girl scouts with my sister and I. I remember her most from girl scouts and some of the fun stuff we did through scouting. I went to school with her and her siblings. In a small town you kind of know everyone. I would say her and her siblings we close acquaintances.*

“ My deepest regards for the Mauk family. I have been very close to Bryan and Mindy throughout our lives. Bryan and I were together in school with band, and Mindy and I have always kept in touch as well since school. This time last year, Mindy was so kind to offer to take my pup Petey in when I decided to leave my physically abusive relationship and had no one to take care of him. She was an amazing woman with a huge heart. I appreciated everything about her. Ha, we would even discuss and laugh about school drama and our particular music we enjoyed. We love you Mindy. You are, and will continue to be missed.
