“ *Tom and all,
I am so sorry to hear about Mona's passing. Literally just minutes ago. What a rambunctious, ornery and lovable lady. You always knew where you stood with her and I've always respected her for that. I apologize for not being there, I hope you know I would have been had I been more aware. May she sleep well and may your hearts swell with her memories each time she comes to mind --- it should make you smile, and make you remember that look and that smirk.. one I will always recall warmly.*
