“ I am so sorry to learn of Nancy's passing. She was an energetic, fun classmate with a wonderful sense of humor. I remember during Pep Club Letter Squad, we were supposed to spell out the letters Plattsmouth while marching or attending games. Often times, the letters would get mixed up as we tried to sit next to friends forgetting we had a higher purpose. Once we spelled Pals tst mouth. For sophomores, this was enough to break into giggles. I am very sorry for your loss

“ I was a college friend of Nancy's and have not seen her for probably close to 35 years. A mutual friend of ours let me know yesterday of her passing. Nancy was a beautiful person, always kind and always there to lift your spirits with her wonderful smile. Even though I have not seen her for a long time, I am grateful that I got the chance to know her. My heartfelt prayers go out to her family and friends. Rest in peace Nancy.

“ Nancy was a Tri Delta sister and roommate at the Tri Delta house. She had a vibrant personality. She was so much fun to be with and yet so sincere. Nancy always talked about the love she had for her brothers and parents, animals and the community of Plattsmouth. I cherish the memories that I have of her. My prayers are with the Nielsen family. I am truly saddened to hear of her passing.

“ I was in Nancy's class up through junior year at Plattsmouth High School. I will always remember her as being kind, fun loving, and very interested in other people. A couple of years ago I had the privilege of meeting her for lunch so that I could turn over some photos that I found from when my father (Bill Steward) ran a photography studio there on Main street. Nancy was still as sweet, loving, and caring as I remembered her. Please accept my most profound condolences for your loss.
