“ *I grew up with the whole family. So I was treated like just another part up it. Jean was like an extra MOM, Most people are lucky to have even ONE I always felt I had TWO! When I would go over and visit her son Kieth who was and still is a best friend. I would be asked to stay for dinner more often then not. I got to go on whole family vacations fishing and camping with them. Jean always made me feel like I was part of the family ALWAYS! Even when Kieth and I would eat all the bread and Raspberry - Rhubarb jam in the house. Of course Kieth got in more trouble then I did!! Even after stuff like that, I was still welcome over. Both Mr.(David) & Mrs.(Jean) Hansen-Sayer will always be My second parents!! I loved them both. I'll miss them always!! GOD WILLING I'LL SEE YOU AGAIN SOMEDAY!
