“ I am sad to hear of Pats passing. I feel very bad that its been over a year and I just found out.

The thing I will remember most about Pat is that she loved to tell stories. I would have a heck of a time getting off the phone once she started talking. I'd have to tell her 9 or 10 times that I had to go before I could convince her to hang up.

I spent many hours with Pat over the years while she was drug testing my drivers. After I changed jobs, I tried to stay in touch and call her a couple of times a year.

Yesterday would have been her birthday so I wanted to wish her a happy birthday.

“ *Thinking of Pat on this anniversary of her passing. Pat loved to talk and although some of our conversations ran longer than I had time for, I do miss them.*
