“ My prayers and thoughts are with the Pointer Family and friends. It is very hard to lose a sibling, such a terrible void. Patti was in the previous graduating class at PHS, but I do remember her and her family. May God give you peace and healing at this time.

“ Patti was in my Foods class the first year that I taught in Plattsmouth. It seemed like I had one of the Pointer girls(or more) in my classes for over a decade. It was like visiting with a friend whenever your mother would come to Parent Teacher conferences. Patti had a stellar work ethic and set the pace for the rest of you girls. I always felt like she took over the "mothering" role after your mom passed. I have had a warm spot in my heart for all the Pointer girls for most of my life. My heart goes out to all of you as you mourn the loss of your dear sister, Patti.
