“ *Thinking and praying for your families at this time We also know it is not fair but God had a plan and needed our love ones. So they are flying high and free and we have an empty spot. Becky was a caring, loving person.*

Have so many memories of school and sporting activities. Those were the days. Cherish your memories and pictures and just touch your heart and know Becky is with you always Sure Becky and Andrea will be telling a few stories. God bless you all. We will be praying for you.
